- The college will not be able to vote in the online election unless this form is submitted

- The unique identifier will need to be used to access the ballot.
- For the purpose of the TEST Voting, you will not be asked to provide an identifier since the ballot is setup as open for all

Notification of Delegates to ASCCC

- In order to conduct the online election, we will need each member senate to verify that we have the college's correct delegate for voting.
- The senate president listed in the [Senate Directory](#) for each campus, will need to complete the [Delegate Change Form](#).
- The college will not be able to vote in the online election unless this form is submitted.
- Forms must be emailed to the ASCCC Office - elections@asccc.org by March 31, 2022.

Changes to Elections Process

As a general reminder

In Fall 2019, the body changed the Senate Rules on elections:

→ **Elimination of trickle down/changes to nominations**

A candidate can only run for a total of two Executive Committee Seats.
Nominations are limited from the floor.

→ **Instant runoff voting**

Delegates rank candidates in order to assure one candidate will receive the majority vote in an election

→ **Change the order of elections**

At-Large election will be run before other non-officer Exec Committee seats

Instant Runoff Voting and Saturday Plenary Session

- Indicate a preference for the candidate that the delegate most desires by marking that candidate's name with the number 1, followed by marking the second choice candidate with the number 2, and so on for all candidates in the order that the delegate prefers.
- **Balloting will take place on Saturday, April 9, 2022.**
 - Individual ballots will be sent out for each open position. Delegates will be given 3 minutes to cast their votes. At the conclusion of the voting, the Elections Chair will announce the winner and will provide the runoff voting tally for each round.
