# West LA College – Programs for ELLs

**CTE-Noncredit Regional Meeting**

March 20, 2023 at LA Trade Technical College

# Session Description

Description - Learn about opportunities for noncredit and CTE collaboration following the evidenced-based strategies that incorporate noncredit ESL, career and technical education and/or workplace readiness. Learn how these collaborations prepare students for the workplace and transition to credit CTE pathways.

Participants will receive an overview of program models, resources, and learn about potential funding opportunities to encourage noncredit and credit collaboration.
