

Experience CCC Confer— the system-wide e-conferencing service.

Use the phone and the Internet to meet and collaborate in a unique way! CCC Confer is easy to use, it brings more people together and its benefits are abundant.

Simple to Use:

- Immediately available to anyone with a phone and the Internet
- Text-based messaging for public feedback or private discussions
- Participants talk on the phone
- Adheres to Section 508 accessibility guidelines

Easy to Manage:

- Pre-load meeting content or import on-the-fly
- Collect information with polling questions
- Information can be archived

Easy to Learn:

- Regularly scheduled live online training available
- No special software needed
- Customer service support available

Distance is no longer a factor for participation—
with CCC Confer you can attend from anywhere.
