LEADERSHIP. EMPOWERMENT. VOICE.

Career Technical Education Leadership Committee (CTELC) CTE Liaisons November 2020 Memo

Dear CTE Liaisons,

Greetings! I would like to take this opportunity to introduce the CTE Leadership Committee, a team of thoughtful leaders committed to advocating for equity minded career and technical education and workforce development.

I hope you enjoy learning a little more about all of them.

-Mayra

CTE Leadership Committee

Dr. Elmida Baghdaserians

Los Angeles Valley College /Child Development

My passion and purpose are to help every student achieve their life goals and to participate as a change agent in creating an anti-racist society.

Robert (Robby) Bodden, Jr.

Evergreen Valley College/Automotive

Jimmy Bowen

Antelope Valley College/Business & Computer Studies

My passion and purpose are teaching and sharing information in my field.

Christy Coobatis

My passion and purpose are quality career education and anti-racism.

Violeta Wenger

Hartnell College/Counseling

My passion and purpose are student success and equity.

How do you get involved in the CTE Leadership Committee and other Academic Senate for California Community Colleges (ASCCC) committees? Visit and complete the form <https://asccc.org/content/faculty-application-statewide-service>

For questions or concerns, please email info@asccc.org and your message will be sent to the appropriate ASCCC committee.

CTEL Leadership Committee Charge

The CTE Leadership Committee provides recommendations on career and technical education and workforce development issues and challenges in the California

community colleges. The committee works collaboratively with the ASCCC Executive Committee to assist community college districts, CTE departments, and CTE faculty to ensure that career technical education and workforce development provide responsive curriculum aligned to current and emergent industry trends, and to focus on diversity, equity, and inclusion in all aspects of career education. The committee is also focused on diversity by expanding the participation of diverse CTE faculty in leadership roles at the local, regional, and statewide levels through its ongoing professional development efforts.

This year, the committee is focused on a number of committee priorities, actions as a result of resolutions adopted by the body at ASCCC Plenary sessions, communicating and supporting CTE Liaisons, and professional development for CTE faculty and faculty leaders.

Professional Development and Learning Opportunities

Strategies and Effective Practices for Conducting Labs and Activities Online (Hard-to-Convert Courses) Offered Live Twice

[Register for Monday, December 7th, 3:30 - 5:00pm](#)

[Register for Thursday, January 7, 2021, 3:30 - 5:00pm](#)

As the pandemic persists, Career Technical Education faculty have taken on a heavy lift of delivering quality career education to their students. Laboratory modifications for online environments continue to be a challenge. This professional development session will offer resources, expert advice, and a conversation to help us all better serve our students. Bring your best ideas!

Presenters:

Dr. Lynn Shaw, Academic Senate, CTE Curriculum Director

Jimmie Bowen, Antelope Valley College

CTE Liaison Survey Results

In Spring of 2020, the CTE Leadership Committee conducted a survey to gauge local efforts around responsibilities and support for designated CTE liaisons and to determine actions required based on the results. The survey was sent to all colleges. Fifty-three individuals responded to the survey. The survey respondents included CTE Liaisons, Academic Senate Presidents, Academic Senators, Dean/Administrators and others like curriculum chairs and coaches. The survey results will be used to guide the work of the CTE Leadership Committee this year. View the survey results [here](#).

Local Senate Visits

As part of its commitment to supporting local senates, the Academic Senate for California Community Colleges (ASCCC) provides the opportunities for local senates to have visits from members of the Executive Committee. The purpose of such a visit is for the committee member to serve as a liaison between the ASCCC and the local senate. Our role is to listen to discussions, share resources, and consider questions and concerns. The visit can be with the local senate president, the local executive committee, the entire academic senate, CTE campus leaders, or whatever best supports your local college. For more information visit <https://www.asccc.org/services/local-senate-visits> Local academic senate visit services are included in the membership dues for colleges, therefore there is no additional cost.

To request services and support contact info@asccc.org.
