

GENDER EQUITY @
SIERRA COLLEGE

MEGAN SEELY

MISSION

The Gender Equity Committee, as a standing committee of the Academic Senate, exists as a formal body whose mission includes facilitating a safe and equitable campus climate through cultural, social, structural, legal and academic change. Gender equity issues are universal. Therefore, the Gender Equity Committee seeks to collaboratively address the intersection of gender with sex, race, ethnicity, culture, socioeconomic status, age, disability, creed, and political background.
