BACKGROUND:

During the August 30 meeting of the Transfer, Articulation and Student Services Committee (TASSC), the committee reviewed the current committee charge:

“The Transfer, Articulation, and Student Services Committee is responsible for development and review of policies, procedures, administrative requirements and general information regarding counseling and library issues; discussion of current counseling and library programs; and consensus development on issues through study and research.

After considering the feedback from the Executive Committee during the September 28 meeting, the committee offers the following revision of the charge:

“The Transfer, Articulation, and Student Services Committee is responsible for ensuring the development and review of equitable policies, procedures, administrative requirements, issues and general information regarding transfer, articulation, counseling and other services that support instruction and student success. The committee makes equity minded recommendations to the Academic Senate Executive Committee.

TASSC requests that the Executive Committee consider the above for approval.
