

40.00 HONORING FACULTY LEADERS

(Approved February 6, 2015)

There are times when a faculty member(s) or the Executive Committee may want to honor faculty who have served the Academic Senate by supporting the mission and vision through a variety of capacities (e.g., committee member, Executive Committee member, advisory group). The following are some of the ways that the ASCCC or the Executive Committee can honor faculty including:

- Senator Emeritus status – retired faculty only (noted in bylaws)
- Resolution (honorary or adopted resolution)
- Contribution to the Academic Senate Foundation including to the level of Leadership Circle
- Contribution to a charitable organization suggested by the family of the deceased up to the amount of registration at one plenary session
- **Proclamation - delete this method - not sure that we use this? Unable to find any reference to Proclamation in ASCCC ByLaws or related documents**
- Recognition in the Rostrum, a plenary session program, or other printed material of the ASCCC

Adopted Resolution

If the Executive Committee or a faculty member(s), working through their Area, determines that a faculty member should be honored, the following criteria will be considered:

1. The faculty member must be a deceased, or retired community college faculty member, who has completed at least five (5) years of significant service to the Academic Senate for California Community Colleges.
2. The faculty member must be recognized for exceptional contributions supporting the aims and functions of the ASCCC.

Honorary Resolution

The honoring of Executive Committee members who have served a full term or longer is under the discretion of the Executive Committee. A request to honor a former Executive Committee member is at the discretion of the Executive Committee. In addition, non-faculty who have demonstrated an outstanding commitment to the mission and vision of ASCCC may also be honored also at the discretion of the Senate President. This is an Honorary resolution and may be granted posthumously.

Procedure for honoring former Executive Committee members:

1. **A request to honor former Executive Committee members must be agendaized for action at a regular meeting of the Executive Committee.**
2. **A super-majority vote of 75% of the Executive Committee will be required.**

Individuals that have been granted senator emeritus status are entitled to special recognition at senate events, free issues of the Academic Senate Rostrum, and free registration at all Academic Senate Plenary Sessions.
