### BACKGROUND:

The Faculty Leadership Institute is scheduled to be held in June 2020, and at this time it appears that it may be either partially or fully online. Attached is a list of topics covered by last year’s institute, excluding the mock plenary and resolution writing general sessions, and with the addition of topics around remote meetings and legislation. The Executive Committee will need to consider which of these topics would be the most useful and viable for an online audience of local senate leaders.
