Transfer Alignment (ADTs & UCTPs)
Presenters & Session Description

Krystinne Mica, ASCCC Executive Director
John Stanskas, ASCCC Immediate Past President
Eric Wada, C-ID Curriculum Director

California community colleges are charged with preparing students to transfer, and most agree there is room for improvement. Presenters will review the data regarding transfer from the California Community College system and the current structure of associate degrees for transfer (ADTs), University of California transfer pathways (UCTPs), and locally articulated degrees. Presenters will also highlight plans for aligning ADTs with UCTPs, barriers to alignment and to transfer, and next steps for moving forward to improve systems of transfer between CCCs and university partners.
Overview

- Data on transfer
- TMCs and ADTs
- UC Transfer Pathways
- ADT and UCTP Alignment
- Next Steps
CCC Transfer Data - CSU
AY 2019-20

• Snapshot for Fall 2019
  • Application Total: 102,141
  • Admitted 88,569
  • Enrolled: 54,839

• Transfer Pathway to CSU – total transfer: 54,839
  • ADT transfer not using guaranteed path: 9,709
  • ADT transfer using guaranteed path: 13,009
  • Transfer with AA/AS: 7,632
  • Transfer with no degree: 24,489
  • Total using ADT or AA/AS: 30,350

CCC Transfer Data - CSU AY 2019-20

• Top 10 CSU Transfer Disciplines:
  • Business, Management, Marketing, and related Support Services – 9,728
  • Psychology – 5,486
  • Social Sciences – 5,368
  • Communication, Journalism, and related programs – 3,509
  • Health Professions and related programs – 3,102
  • Visual and performing arts – 3,038
  • Engineering – 2,944
  • Computer and Information Sciences and Support Services – 2,613
  • Homeland Security, Law Enforcement, Firefighting and Related Protective Services – 2,383
  • Liberal Arts and Sciences, General Studies, and Humanities – 2,341

CCC Transfer Data - CSU
AY 2019-20

• Ethnicity Demographics – enrolled
  • American Indian | Alaska Native – 114
  • Asian – 7,231
  • Black | African American– 2,207
  • Hispanic/Latino – 24,555
  • Native Hawaiian | Other Pacific Islander – 197
  • Non-resident Alien – 3,550
  • Race and Ethnicity Unknown – 2,120
  • Two or More Races – 2,092
  • White – 12,773

Legislated by SB1440 and SB440
- Students guaranteed to transfer to a CSU in a similar major
  - [Link] to CSU similar degrees
- Currently 40 TMCs
- TMCs are the basis for ADTs

ADT – Associate Degree for Transfer
TMC – Transfer Model Curriculum
No associated legislation
• 20 most sought-after majors in UC
• Single set of major preparation courses for any of the 9 undergraduate UC campuses

UCTP – University of California Transfer Pathway
ADTs and UCTP Alignment

ASCCC Resolution F17 15.01 Aligning Transfer Pathways for the California State University and the University of California

Resolved: That the Academic Senate for California Community Colleges work with the Academic Senates of the California State University and the University of California to identify a single pathway in each of the majors with an Associate Degree for Transfer to ensure that students will be prepared to transfer into either the California State University or the University of California systems.
ADTs and UCTP Alignment

• The Intersegmental Committee of Academic Senates (CCC/CSU/UC) reviewing degrees for areas where there may be overlap and begun discussions with faculty to identify disciplines where there is enough similarity to create one degree that can be accepted by both the CSU and the UC.

• TMC and UC Transfer Pathways were reviewed for differences and a list of 7 disciplines that appear to align well was developed.
  • The group discussed convening the C-ID Faculty Discipline Review Groups (FDRGs) for each of the disciplines to begin discussions regarding the creation of degree templates
ADTs and UCTP Alignment - 7 Disciplines

- Anthropology
- Business Administration
- Economics
- History
- Mathematics
- Philosophy
- Sociology

- Pathway in each TMC that aligns with the UCTP
- Requires the use of IGETC general education pattern for transfer to CSU or UC and an oral communication course would be required for transfer to CSU
- A slight modification to the TMC may be needed
ADTs and UCTP Alignment: Initial Findings

• Near perfect alignment:
  • Anthropology
  • History
  • Sociology

• Identified challenges:
  • Additional courses needed for UCTP not included in the ADT
  • Some TMC courses may not be UC transferable
  • High-unit majors may mean discussing more disciplines to the IGETC for STEM list.
  • CSUs choose to determine if an ADT is similar to a major (i.e. and ADT is not broadly applicable to CSU). UCs all agree that the UCTP is a common set of requirements for admission eligibility.
ADT and UCTP Alignment – Next Steps

- Examination of existing C-ID structures and processes

- Selection of next round of disciplines to align ADT and UCTP
  - As FDRGs meet to review TMCs and ISMCs, UCTP alignment will be a separate question.

- Engaging articulation officers in C-ID process

- Discipline convening
THANK YOU!

Please email info@asccc.org if you have any questions.
