INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Academic Senate for California Community Colleges
Sacramento, California

We have audited the accompanying consolidated financial statements of the Academic Senate for California Community Colleges and the Foundation of the Academic Senate for California Community Colleges (collectively the "Organization"), nonprofit organizations, which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

ACADEMIC SENATE FOR CALIFORNIA COMMUNITY COLLEGES

NOTES TO CONSOLIDATED STATEMENTS

June 30, 2021 and 2020

NOTE 1: NATURE OF ACTIVITIES

The Academic Senate for California Community Colleges (the "Academic Senate") is a California non-profit corporation established on October 2, 1970, whose purpose is to promote the best interests of higher education in the State of California and to represent the faculty in all California community colleges at the state level.

The general purpose and powers are:

- To strengthen local academic senates and councils of community colleges;
- To serve as the voice of the faculty of the community colleges in matters of statewide concern;
- To develop policies and promote the implementation of policies on matters of statewide issues; and
- To make recommendations on statewide matters affecting the community colleges.

On August 11, 2008, the Academic Senate formed the Foundation of the Academic Senate for California Community Colleges (the "Foundation"), a California charitable corporation controlled by the Academic Senate, whose purposes are:

- To benefit, support and enhance the excellence of California community colleges;
- To support, design and implement professional development for California community college faculty;
- To research, develop and communicate effective practices to promote effective teaching and learning in the California community colleges; and
- To promote a variety of activities and strategies to advance teaching and learning.

These financial statements of the Academic Senate and the Foundation are presented on a consolidated basis, with all significant inter-company transactions eliminated. The Academic Senate and the Foundation are collectively referred to as the "Organization".

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

The Organization presents its consolidated financial statements in accordance with FASB ASC Topic 958, Subtopic 210 (FASB ASC 958-210), *Presentation of Financial Statements of Not-for-Profit Entities*. Under FASB ASC 958-210, the Organization is required to report information regarding its financial position and activities according to the following two classes of net assets:

Net assets without donor restrictions - Net assets that are not subject to stipulations.

Net assets with donor restrictions - Net assets that are subject to stipulations that will be met by actions or the passage of time.

Revenues and gains and losses on investments are reported as changes in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as changes in net assets without donor restrictions. Expirations of donor restrictions on net assets are reported as reclassifications between the applicable classes of net assets.

ACADEMIC SENATE FOR CALIFORNIA COMMUNITY COLLEGES

NOTES TO CONSOLIDATED STATEMENTS

June 30, 2021 and 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Presentation (Continued)

Donor-restricted contributions are reported as revenues which increase net assets with donor restrictions. Expirations of donor restrictions on contributions whose restrictions are met in the same reporting period have been reported as net assets without donor restrictions.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits in checking and money market accounts.

FDIC Insured Deposit Accounts

The Organization maintains its cash in financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). Deposit accounts, at times, may exceed federally insured limits. As of June 30, 2021 and 2020, \$2,468,910 and \$1,465,571, respectively, was held in excess of FDIC insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash balances.

Accounts Receivable

Accounts receivable, which consist primarily of grants receivable, are stated at the amount management expects to collect from outstanding balances. Management believes that all of the receivables are collectable; accordingly, no allowance for doubtful accounts has been established. Receivables are determined to be past due based on contractual terms. Receivables for events are written-off after 90 days. Grants receivable are written-off on a case by case basis after management has exhausted all collection efforts.

Property and Equipment

Property and equipment purchased in excess of \$5,000 are stated at cost. The Organization provides for depreciation over the estimated useful lives of the assets using the straight-line method. The estimated lives of these assets range from 3 to 5 years. Expenditures for major renewals and betterments, which extend the useful lives of property and equipment, are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Leases

In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The standard requires lessees to recognize the assets and liabilities that arise from leases in the statement of financial position. Additionally, in July 2018, the FASB issued ASU 2018-11, *Leases* (Topic 842) – *Targeted Improvements*, which, among other things, provides an additional transition method that would allow entities to not apply the guidance in ASU 2016-02 in the comparative periods presented in the financial statements and instead recognize a cumulative-effect adjustment to the opening balance of retained earnings in the period of adoption. The Organization adopted ASU 2016-02 and its related amendments as of June 30, 2020, which resulted in the recognition of an operating right-of-use asset and lease liability initially totaling \$610,590. At June 30, 2021, an additional \$8,441 was recognized as an operating right-of-use asset and lease liability. The Organization elected to adopt the transition relief provisions from ASU 2018-11 and recorded the impact of adoption as of July 1, 2019, without restating any prior-year amounts or disclosures. Additional lease disclosures can be found in Note 6. There was no cumulative effect adjustment to the opening balance of retained earnings required.

ACADEMIC SENATE FOR CALIFORNIA COMMUNITY COLLEGES

NOTES TO CONSOLIDATED STATEMENTS

June 30, 2021 and 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Tax Status

The Academic Senate is exempt from income taxes under Section 501(c)(6) of the Internal Revenue Code (IRC) and Section 23701e of the California Revenue and Taxation Code. The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701d of the California Revenue and Taxation Code. After they are filed, the Organization's income tax returns remain subject to examination by taxing authorities generally three years for federal returns and four years for state returns. Activities unrelated to the Organization's mission may be subject to unrelated business income tax.

Functional Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Costs specifically identified with programs are directly allocated to those functions. All costs not identifiable with programs, but indispensable to the conduct of such programs and activities and to the Organization's existence, are included as management and general expenses. Expenses that benefit more than one function of the Organization are allocated among the functions based generally on the amount of time and effort spent by personnel on each function.

Revenue Recognition

In June 2018, the FASB issued ASU No. 2018-08 *Not-for-Profit Entities* (Topic 958). The ASU provides an update to clarify and improve the scope and the accounting guidance for contributions received and contributions made. The amendments in this update should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, *Not-for-Profit Entities*, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. The Organization has retrospectively adopted the provision as of June 30, 2020 with no effect to previously reported net asset balances.

The Organization adopted the provisions of FASB ASC 606 as revised by ASU 2014-09. The Organization's income received is not recognized as revenues until the revenue is earned, which is at the time when the services are provided. The Organization has retrospectively adopted the new guidance as of June 30, 2021 with no changes to previously reported net assets.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of support, revenue, and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Events and transactions have been evaluated for potential recognition or disclosure through October 22, 2021, the date that the consolidated financial statements were available to be issued.

NOTE 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

NOTE 6: OPERATING LEASE OBLIGATION

The Organization leases office space under an operating lease agreement with an original term from November 2014 through February 2020. On July 1, 2019, the Organization executed an amendment to the office lease, extending the term of the lease through September 2026. The lease amendment also provided for free rent periods in each of its initial three months and contained escalating monthly payments starting at \$7,785 and increasing by 2.5% annually. Under the provisions of FASB ASC Topic 842, an initial right-of-use asset and lease liability of \$610,590 was recorded based on the net present value of the future minimum contractual obligations under the lease, discounted at 3.87%. At the end of the amended term of the lease, the Organization may extend this lease for two successive terms of 60 months each; however, such extensions have not been reflected in the related right-of-use asset or lease liability included in the accompanying financial statements.

The rent expense is reflected in the accompanying financial statements on a straight-line basis over the term of the lease with the difference between rent expense and rent payments being reflected as accrued rents and offset with the right-of-use asset. During the years ended June 30, 2021 and 2020, cash payments under the terms of the operating lease totaled \$95,175 and \$70,067, respectively. Rent expense under the terms of the operating lease totaled \$97,256 for both years.

The Organization entered into a lease agreement with North Shore Leasing, LLC on February 1, 2021 to lease a Konica Minolta BizHub C754e rebuilt Color System printer. The term of the lease is 39 months and the Organization can upgrade or downgrade at any time during the lease period. The Organization has the option to buy-out the asset at the end of the lease term at fair market value. The lease rate is 2.79%. During the year ended June 30, 2021, cash payments and lease expense totaled \$968 and \$2,597, respectively.

The minimum contractual obligations for the operating lease (undiscounted) as of June 30, 2021 are as follows:

<u>Year Ending June 30:</u>	
2021	\$ 99,953
2022	102,500
2023	105,060
2024	105,055
2025	107,681
Thereafter	<u>27,077</u>
Total lease payments	547,326
Less: discounted cash flows, net discount	<u>(52,925)</u>
Discounted lease liability	<u><u>\$ 494,401</u></u>

NOTE 7: NET ASSETS WITH DONOR RESTRICTIONS

At June 30, 2021 and 2020, net assets with donor restrictions totaled \$4,200 for the freedom fighter award.

ACADEMIC SENATE FOR CALIFORNIA COMMUNITY COLLEGES

NOTES TO CONSOLIDATED STATEMENTS

June 30, 2021 and 2020

NOTE 8: EMPLOYEE BENEFIT PLAN

Qualified employees are eligible to participate in the California Public Employees' Retirement System (CalPERS). CalPERS is a cost sharing multiple employer defined benefit pension plan that provides retirement, disability, and death benefits to Plan members and beneficiaries. The risks of participating in a multiple employer plan are different from single employer plans. Specifically, Academic Senate may be liable, on termination or withdrawal from the plan, for allocated shares of the plan's unfunded vested benefits. The Academic Senate currently has no intention to terminate or withdraw from the plan.

Because Academic Senate has less than 100 employees, it is required to participate in a risk pool within CalPERS. The Academic Senate's contributions represented less than 5% of total risk pool contributions per the risk pool's most recent actuarial report, which was as of June 30, 2020. As of June 30, 2020, Academic Senate's share of total plan assets was \$1,404,753, the accrued liability was \$2,195,057, and the plan was 78% funded.

The California Public Employees' Pension Reform Act (PEPRA) resulted in different contribution and benefit rates for employees hired prior to and after January 1, 2013. Employees contribute 7% or 6.25% of their annual covered salary, depending on hire date. Academic Senate contributes an amount that is actuarially determined by CalPERS. In addition, CalPERS adopted a risk mitigation policy which is designed to reduce funding risk over time and is expected to impact future valuations.

Total contributions to the plan by Academic Senate amounted to \$98,550 and \$89,645 for the years ended June 30, 2021 and 2020, respectively. The estimated required employer contributions for the year ended June 30, 2022, are \$103,919.

NOTE 9: RELATED PARTY TRANSACTIONS

A board member's college is provided reassignment time for their service to the Organization. The Organization makes payment to the college (or in some instances, the district) for the board member's time, paid at the part-time faculty rate, as determined by the Chancellor's Office Data Mart data. For the years ended June 30, 2021 and 2020, the Organization provided stipends to various board members during the summer session for their work not included in the reassignment payment to the college, totaling \$40,000 for each year.

NOTE 10: CONCENTRATIONS AND CONTINGENCIES

A significant portion of the grant revenue is from the State of California, most of which is passed through various community college districts. Similarly, a significant portion of the accounts receivable are due from the State of California, either directly or through community college districts. Claims for reimbursement are subject to audit and possible disallowance by awarding agencies. All cash is held in one bank and thus exceeds federally insured limits.

NOTE 11: COMMITMENTS

The Academic Senate has hotel contracts for meetings to be held subsequent to year-end. These contracts contain deposits, room and food beverage commitments and cancellation fees. The cancellation fees under the contracts if the contracts were cancelled as of the date the consolidated financial statements were available to be issued totaled \$513,478 and \$261,795 for the years ended June 30, 2021 and 2020, respectively.

NOTE 12: RISK AND CONTINGENCIES

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen. While the disruption is currently expected to be temporary, there is considerable unknown around the duration. The Organization expects this matter to negatively impact its operating environment; however, the related financial impact and duration cannot be reasonably estimated at this time.
