iii. Assigned Task

**ASCCC 2023-2026 four strategic directions:**

- Embracing Organizational Change
- Engaging Proactively in Partnerships and Advocacy to Advance Faculty Voice and Student Success
- **Developing Innovative Activities to Empower Faculty and Uplift Underrepresented Voices**
- Advancing Faculty Engagement in Data Literacy

1. FELA

**Faculty Empowerment and Leadership Academy**

Faculty Empowerment and Leadership Academy | ASCCC

FELA will focus on the development of faculty from historically underrepresented groups in higher education. The academy will provide opportunities to connect with leaders from across the state, to empower faculty to seek leadership roles, and to provide regular contact with mentors. All activities in this leadership development program are designed to ensure participants are ready to meet the challenges of engaging in transformative leadership and equity-minded approaches to working with diverse student populations.

**PROGRAM MISSION**

- **TO CONNECT:** Providing one-on-one mentoring to diverse faculty for personal and professional development with mentors who are campus leaders and/or administrators.
- **TO EMPOWER:** Creating safe and brave spaces for courageous conversations to investigate equity, diversity, and inclusion; to share personal and collective experiences on race, privilege, and oppression; and to embolden new faculty leaders to advocate for transformative change on their campuses.
- **TO GUIDE:** Providing networking opportunities and sharing guidance for navigating the systems of higher education. The focus of the mentoring will be to address the specific goals of the mentee.

**OUTCOMES**

- Demonstrate a clear understanding of the faculty purview as outlined in the 10 + 1
- Articulate the framework of inclusion, diversity, equity, anti-racism, and accessibility (IDEAA) in their professional development and leadership
- Identify various ASCCC resources for local leaders
- Consider their own personal leadership style(s)
- Discuss various structural or systemic challenges for faculty leadership emergence
- Relate their experience to impact their local academic senate work and future leadership

**PROGRAM REQUIREMENTS**

- At least one ASCCC Plenary (virtual or in person) through voting on resolutions
- **FELA Cohort Convening** – 2-3 will be scheduled for the 2023-24 year by the Faculty Leadership Development Committee
- Meet monthly with the mentor (in person, phone, or virtual) - duration determined by the mentor
in coordination with mentee approximately one half-hour or more per meeting check-in
Pick a minimum of 3 other observation experiences

- Attend an Area meeting for networking
- Attend a local board of trustee meeting or other local governance meeting
- Attend virtually one ASCCC Executive Meeting
- Attend at least one other ASCCC-sponsored event (webinar/ regional/ standing committee meetings, etc.)

2. Resolutions:

- Spring 2021 Student Participation in Hiring Processes
Whereas, Student voice is critical to the hiring process, and California Education Code’s equal employment opportunity provision implies support for the participation of students to ensure the community college work force is “continually responsive to the needs of a diverse student population by ensuring that all persons receive an equal opportunity to compete for employment and promotion” (Ed. Code §87100 (a) (3));
Whereas, Chancellor’s Office General Counsel’s Legal Opinion 2020-08: Student Participation in Community College Recruitment (September 2020), states, “Nothing in state law prohibits students from participating in community college recruitment and selection processes”;
Whereas, Legal Opinion 2020-08 further states that students are adults and therefore are “capable of understanding the sensitivity of employment-related information, being trained in the proper treatment of confidential information, and being expected to adhere to confidentiality requirements”; and
Whereas, The California Community Colleges Board of Governors Diversity, Equity, and Inclusion Implementation Plan calls for diversifying hiring committees and includes student representation on screening and hiring committees as a best practice;2
Resolved, That the Academic Senate for California Community Colleges encourage local academic senates to review their hiring processes, discuss the role of students in hiring processes, and include local student governments and human resource offices in those discussions; and
Resolved, That the Academic Senate for California Community Colleges provide professional development opportunities and resources to support local academic senates in including students in hiring processes.

- Fall 2017 Creation of Professional Development College Courses in Effective Teaching Practices
Whereas, Student success depends on excellent teachers, and many faculty, both full-time and part-time, have limited training in the art of teaching, and the Center for Community Colleges reports that more than 58% of community college courses are taught by “contingent” faculty;[1]
Whereas, All faculty, full-time or part-time, would benefit from a program of online professional
development courses designed for community college faculty that present the best, most effective, and innovative ways to help students to learn;
Whereas, The sum of the total always being stronger than the individual parts, a statewide compilation of best teaching practices illustrating the innovative, original, new, novel, fresh, unusual, unprecedented, avant-garde, experimental, inventive, ingenious, and creative practices in the art of teaching would be a powerful tool for all faculty to utilize; and
Whereas, The California Community Colleges Chancellor’s Office (CCCCO) division of Institutional Effectiveness oversees development and operation of a comprehensive technical assistance program to further student success that overlays every division of the CCCC0 including academic affairs, student services, economic and workforce development, research, and fiscal affairs, and will develop a framework of indicators focused on accreditation, fiscal viability, student performance, and compliance with state and federal guidelines;
Resolved, That the Academic Senate for California Community Colleges create a module of effective practices in teaching for the Professional Development College for all faculty, to utilize at their convenience; and
Resolved, That the Academic Senate for California Community Colleges seek funding from the California Community Colleges Chancellor’s Office Institutional Effectiveness Partnership Initiative, or other sources, to create a systematic network of effective practices in teaching for the Professional Development College.

- Spring 2017 Support Use of Sabbaticals and Other Professional Development for Open Educational Resources Development

Whereas, Curriculum, including the selection and development of instructional materials, is an area of faculty primacy under Title 5 §53200 and the development of open educational resources (OER) is a worthwhile curriculum-related endeavor that will benefit students;
Whereas, Assembly Bill 798 (Bonilla, 2015) encourages the use of OER, and zero-textbook-cost degree efforts are underway that seek to provide an opportunity for students to earn a degree with no expenses associated with instructional materials;
Whereas, Access to and use of textbooks and ancillary materials can facilitate successful course completion by students, and students may postpone or fail to purchase textbooks due to escalating textbook prices and other educational costs, which could impact their success and course completion; and
Whereas, According to the senate paper Sabbaticals: Benefitting Faculty, the Institution, and Students (2007) major purpose of sabbaticals “…is to provide opportunity for continued professional growth and new, or renewed, intellectual achievement through study, research, writing, and travel;”
Resolved, That the Academic Senate for California Community Colleges encourage local senates and bargaining units to work with their administration to allow the use of sabbaticals and other professional development opportunities for the development of accessible open educational resources.

- Fall 2016 Resolution Number 12.01
https://asccc.org/resolutions/include-professional-learning-network-pln-resources-satisfy-flex-requirements

Assigned to Faculty Leadership Development Committee
Category Faculty Development
Whereas, Many faculty are required to complete a minimum number of professional development or Flex hours each semester;
Whereas, The Professional Learning Network (PLN) is an online professional development repository that provides access to professional development activities offered by vendors like Lynda.com as well as resources that have been developed and reviewed by community college faculty, administrators, and classified staff that cover many of the same topics that are presented during on campus Flex sessions;
Whereas, Allowing the use of professional development resources available through the PLN to meet Flex obligations will enable full- and part-time faculty to choose from a wide array of materials that can be covered whenever it is convenient instead of only having professional development options during designated professional development or Flex days; and
Whereas, The California Community Colleges Chancellor’s Office’s Guidelines for the Implementation of the Flexible Calendar Program has not been amended or updated since April 2007;
Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor's Office to re-evaluate activities in the Guidelines for the Implementation of the Flexible Calendar Program[1] to include activities on the Professional Learning Network (PLN);
Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor’s Office to review and update the Guidelines for the Implementation of the Flexible Calendar Program; and
Resolved, That the Academic Senate for California Community Colleges urge local senates to work through their local process to allow faculty to use professional development activities available through the Professional Learning Network (PLN) to satisfy their required Flex obligation.

Curriculum

Curriculum Development – The PDC is pleased to offer a five-course series that provides an overview of various aspects of curriculum development. Participants who complete all five courses may be eligible to earn ASCCC’s Curriculum Development Certificate of Completion. In order to earn a Certificate, all components of the five-course series must be successfully completed. Each course consists of multiple units. There is a quiz associated with each unit and a final exam for each course. Successful completion requires earning 100% on all quizzes and at least 80% on the final exam for each course. All assessments are multiple-choice. While quizzes may be taken more than once, the final exam for each course can only be taken once. Individuals who are interested in having their work formally recognized should contact Krystinne Mica for more information. The completion of the series should take approximately eight hours.

Important: All courses are offered via Canvas and set so that you can “self-enroll”. Please be sure that you are logged into your home instance of Canvas before attempting to access any PDC course.

Message from previous chair:

All FLDC agendas and minutes from the 22-23 year are on the ASCCC FLDC webpage. However, I wanted to share the 22-23 FLDC google drive that has a variety of tools and resources that were created to support the work of FELA. In this drive you will find materials for the three different cohort convenings we held

this past year (initial, midway, and final); sample cohort communications; monthly reading resources for the cohort; template for cohort summary reports; and this past year’s cohort completed summaries with some excellent feedback and suggestions moving forward.

Academic Senate for California Community Colleges End of Year Report Form for Standing Committees/Task Forces/Chancellor’s Office (CO) Groups
Each chair and faculty representative’s responsibility is to the Academic Senate and the faculty it represents, as well as to the Executive Committee that carries out the Senate’s charges. Each chair and representative has a responsibility to communicate clearly with successive committees what has been accomplished, what has only been partially addressed, what remains to be completed, and what possibilities lie ahead for the coming year.

The chair or senior appointed representative must write an end of year report outlining the actions taken and work done by the committee and contains information to allow subsequent chairs to continue to move forward with the work of the committee.

1. **In addition to the ASCCC strategic plan goals, did the committee have other goals for this year? If so, please describe.**
   - Restructure the Faculty Empowerment Leadership Academy (FELA) to include a focus on the ASCCC IDEAA framework, and to build a stronger sense of “cohort community”
   - Develop a [repository for suggested monthly readings](#) for cohort mentors and mentees to support constructive interactions and discussions.
   - Develop a set [standard sample communications](#) to be used for the FELA program
   - Update application process and timeline, resources, program requirements (minimize cost for participants) and develop more flexibility.

2. **Please summarize accomplishments of the committee/task force/CO group this year, highlighting specific resolutions, papers, resources, or Rostrum articles developed:**
1. Maintained FLDC/FELA ASCCC Webpages
2. Update FELA Timeline. Including the recruitment of participants, expectations for completion, and review of letters.
3. Update FELA application forms (new google forms)
4. Developed and structured FELA cohort convenings
5. Fall 2022 Plenary BO Session
6. Selected FELA participants (mentors and mentees)
7. Held first initial cohort convening (Dec 2022)
8. Sent readings for January to cohort
9. Sent readings for February to cohort
10. Held 2nd FELA Cohort Convening (Feb 2023)
11. Sent readings for March to cohort
12. Sent readings for April to cohort
13. added FELA ribbons for Cohort to wear on name badges during Plenary events
14. Started recruitment for 2023-2024 FELA cohort (Mentors and Mentees)
16. Sent May readings and FELA summary report template to cohort
17. Planned and held final FELA Cohort Convening (May 2023)
18. Developed repository of cohort communications
19. Developed a FELA Cohort final summary/Report template for mentee participants.

3. Were there assignments that your committee was unable to address this year or are currently in progress and not completed? If so, please describe.
   ○ There is a need to still fully revise the Mentor and Mentee selection rubrics to fully include IDEAA criteria and align with updated mission/vision for academy.

4. Do you have any recommendations for what the committee should focus on next year?
   ● Monitor the number of mentor applications and actively recruit with some personal “reach outs”/invitations. Maybe consider other former ASCCC Exec members who are still faculty as an invitation. (We had one current and two former exec members serving as mentors for the 22-23 cohort)
Consider any feedback from the 22-23 cohort that was collected on their summary-reflection reports.

Consider a formal repository of developed resources and suggestions into a FELA Coordinator Handbook/Toolkit as a guide to ensure consistency and momentum for this program. (possibly a google doc or canvas shell?) TBD

In the 22-23 year we had many more mentee applications than mentor applications. With the desire to keep the mentor experience as near one-to-one as possible we only had 6 mentors, and accepted a total of 11 mentees (over 30 applied) for this revised FELA pilot. The early recruitment of mentors may help in the total numbers of mentees we can serve. Also, we did have a couple of mentees that were unable to continue in the program, there was not a waitlist to bring in new mentees for mentors. I had one mentor who’s mentees left the program, but was able to keep the mentor engaged and welcomed her to the formal cohort convenings (as she was still part of the cohort community even without mentees) where she could share her experiences to the entire cohort.

Marketing with testimony and success stories from participants (both from mentors and mentees) to share the impact of this experience.

Other comments:

The primary focus for the FLDC this year was the support and work on FELA. Now that a FELA structure and initial resources have been developed the committee may want to consider other overall professional development support that may be needed in the field and consider partnerships with ASCCC Relations with Local Senates to support local senate president professional leadership support, or support with empowering our formal ASCCC liaisons and caucuses to support diversity in leadership. Opportunity to promote diversity in leadership and actively encourage new leaders in our system.

Themes and Suggestions

● Is there an opportunity with the foundation or other ways to set up ongoing donations to help support the FELA program to promote sustainability?

● The mentors would benefit from a mentors-only orientation about some strategies to help keep mentees engaged or support for suggested structure of interaction.

● Remember that not all faculty are seeking senate leadership, but to also support faculty who lead in their classrooms, may move into chairing departments or college-wide activities that are also leadership.

● Enjoyed the focus on diverse leadership styles and including the cultural perspectives

● Consider the timing of the cohort convenings to not overlap with end-of-the year obligations.

● If a mentor is assigned more than one mentee, try to ensure that the mentees have similar goals or level of experiences to support the mentor.

● try to intentionally make space and opportunities for mentors/mentees during the plenary events if appropriate and possible. (due to the late start of the 22-23 cohort we were only able to invite participants to the Spring plenary)
