## MINUTES 2022-09-08

The Curriculum Committee is charged to make recommendations to the Executive Committee on issues related to the development, review, implementation, and assessment of all aspects of curriculum both at the college and state level. The committee distributes information through institutes and other forms of professional development, the website, and listservs, as well as senate publications. Under the direction of the president, the chair and/or members of the Curriculum Committee provide technical assistance to local college curriculum committees, academic senates, and the faculty in general. Note: Resolution 15.03 S94 charged the Senate with appointing a library science member and noted past recommendations to the Senate to appoint a counselor, articulation officer, vocational education and basic skills faculty.

Adrienne mentioned resolution idea about incorporating AP exam scores in the TMC's to aid in class accounting for ADT's. Add AP scores as one of the elements that are part of the ADT. Discussed that FDRGs include CSU faculty.

iii. **Action Items:**

1. Curriculum Institute Theme
2. Blurb

Reviewed the draft theme for Curriculum Institute. Theme: *Delivering on the Promise of Higher Education through California Colleges Curriculum*

Split feedback on Curriculum Institute: many faculty inspired to go back and work on curriculum; curriculum specials felt left out  
Big topics will be legislation and GE  
Connection with legislative advocacy

This theme allows for more flexibility  
MSC (Adrienne/Nili)

Blurb discussion with input from all participants, frantic grammatical decisions for clarity and simplicity, and lots of fun and laughter.

Unanimously approved new blurb for the 2023 Curriculum Institute  
MSC (Nili/Adrienne)

Final version for consideration by the executive committee:

Theme: Delivering on the Promise of Higher Education through California  
Community Colleges Curriculum
